Tax Bills Out Soon; Higher Taxes in Heights

INTRODUCING CANDIDATES

ARDON C. WILCOX

With the announcement of the tax rates of the various taxing units in Cook county, the next step will be the sending out of the tax bills.

The bills have been delayed for several reasons this year but now that the rates are out the county town collectors hope to have their bills within the next two weeks.

As the country town bills are usually among the first to be made out the town collectors are hopeful that they will soon be getting their bills into the mail.

In Palatine township some school rates are up, some down and some the same; the town rate is up 7 cents and the road & bridge is down 4 cents. A comparison of the 1938 and 1937 rates are given herewith. The total rate for the Village of Palatine for 1938 is \$.52.6 as compared to \$.51.9 for 1937.

Boost for Arlington

Arlington Heights tax payers naturally expected to pay a higher tax rate and they will not be disappointed. The increase is nearly ten percent and is accounted for by an increase of 13c by the park district, village bonds 22c, high school 10c which with other small increases mean a total increase of 50c. The total rate for those who reside in the village is \$.65.95 compared with \$.60.09 for 1937.

Big Tax Cut in Elk Grove

All Elk Grove tax payers will have lower tax bills, while those residing within the village of Mt. Prospect receive a rather large "Christmas" present in the form of a cut of 46c—a reduction almost as great as the increase in Arlington Heights.

The reduction within Mt. Prospect includes a cut of 29c by the village, and a cut of 12c by the school board. Tax payers residing in district 59, have a cut of 94c due to decrease in local school tax. All Elk Grove benefits by the omission of a relief tax.

Increase in Schaumburg

There are some increases in Schaumburg although taxpayers in district 52 will not be called upon to pay any school tax as that school is closed, which means a saving of 28c for the Kublank district.

School district 51 has an increase from 18c to 52c. There is a town levy this year of 12c and the road and bridge is increased 5c. The comparative tax rates are published below:

Attention Farmers!

Your wives and daughters will be interested in the Home Bureau plan told by your Farm Advisor, C. A. Hughes, on the Farm Page of this newspaper.

ANTHONY T. SCOLARO is a local boy who has made good as an attorney and now offers his services to his town as a police magistrate. He received his grade and high school education in Arlington Heights and secured his college degree at Notre Dame.

Mr. Scolaro makes his home with his mother at 28 South Dunton Ave. He is associated with a Chicago law firm. His campaign slogan is "Elect a lawyer for a lawyer's job."

The will of the late Arthur Blewitt, who died in Des Plaines January 3, has been admitted to probate. His \$14,000 estate, mostly real estate, is left to his widow, Grace, who is also made executrix.

Twp. Must Pass Appropriation Ordinance

The Arlington Heights city council authorized the police department Monday night to issue arrest tags commencing April 1 for all autos found without 1939 vehicle license.

The arrest tags give the offending motorist an opportunity to appear at the municipal building, buying his tag with payment of a minimum fine. Failure to voluntarily appear will mean issuance of summons, which will carry with it increased costs.

Elk Grove And Schaumburg Escape Relief Tax

The taxpayers of townships of Elk Grove and Schaumburg are probably the only townships in Cook county that will have no relief tax to pay his spring when the 1938 tax bills come out. Both townships have escaped "shacktowns" to any appreciable extent and have consequently no heavy relief load.

Chaplain's Chat

By Captain Todd

"Blessed are the meek for they shall inherit the earth" is one of the beatitudes. The French in their New Testament translate the word "Meek" as "debonnaire" which means polite. Blessed are the polite—the people who have good manners—the people who are pleasant to live with—for they shall inherit the earth.

Meekness does not mean cowardice or submitting to humiliation. Real meekness is self-respecting but not self-asserting. The meek man can be bold but not for selfish purposes. Christ was meek in that he took little children into his arms, but his meekness also permitted him to drive money changers from the temple.

Real meekness is not the Uriah Heep brand of servility, the bootlicking fawning type of currying favor with the influential. It is the desire to be great and the horror of being called great. It is the longing to assist and the dread of being thanked. It is the striving after the good and the blushing like a school-girl when that goodness is discovered. In life's sterner moments—in failure, depression, sickness, or death—it is the meek man who stands calm amid the wreckage of dreams, while the braggarts whine and tremble.

Street Lights Hold Major Interest

Discuss Maintenance Cost To Taxpayers

Considerable interest is being shown in the new lighting system being proposed for Northwest Highway through our village and one of the chief questions asked is "How much will it cost to maintain these lights?" So its readers may be fully informed on this question the REVIEW has obtained the following information from the Public Service Co., through Mayor Besander.

Cost of Maintenance

At present we have seven lights on Northwest Highway, six 100-candle power lights and one 250-candle power light. The cost of operating these present lights is \$163.80 per year. Under the proposed new street lighting system there will be 23 lights on the highway. If 600-candle power lights are used the annual operating cost will be \$536.82. If 400-candle power lights are used the annual cost will be \$405.49. The existing seven lights will be replaced, of course, if the new system is installed so the added cost of adequately lighting our main artery all through the village is only \$373.02 a year if 600-candle power lights are used and only \$241.69 per year if 400-candle power lights are installed. With somewhere between 4500 and 5000 lots in our village it can readily be seen that the added cost of maintenance to the individual taxpayer is negligible.

In addition to the very distinct advantage of having our main street in town adequately lighted at night so visitors and prospective home-builders may know they are in our Village, there is the angle of safety. We have been very fortunate thus far and our accident record is very satisfying, but when it is considered that over 60 percent of all traffic fatalities happen at night, one realizes the importance of good light on our main thoroughfare.

Retirement of Bonds

Another question that is being

asked is why the proposed bond issue of \$10,000 will be a general obligation of the Village, if the gasoline tax refunds will be more than enough to retire the bonds. Whenever a bond issue of any kind is floated the bonds must be a general obligation of the Village and the bond issue must be favorably voted upon by a majority of the resident voters at a regular or special election. However, under the proposed set-up there will be no appropriation made in the General Fund as the gas tax refunds are more than ample to retire the bonds and interest. In fact the largest annual tax that will be required is \$1475, for the year 1940, to retire principal and interest after which the annual required amount is reduced each year because of the lesser interest—and the gas tax refunds have been average over \$200 per month, or more than \$2400 annually.

This proposition, which also includes street signs on Northwest Highway, Elmhurst rd., and Central rd., will be placed before the voters at the Village election next April 18, and if the voters approve the bond issue, work will be started as soon as bids can be obtained.

Problem Parents' Revealed At P.T.A.

By Dr. Blessing

At the regular monthly meeting of the Arlington Heights Parent-Teacher association, officers were elected for the ensuing year, as follows: President, Mrs. Rex Volz; vice president, Mrs. Paul Collins; secretary, Mrs. Kenneth Oden; treasurer, Mrs. J. S. Monroe; historian, Mrs. Walk.

A card party is being planned for early in April and all members and friends are requested to watch for the date in the local paper. Mrs. Rex Volz was elected as delegate to the annual state convention of P.T.A., which will be held in Chicago April 18, 19 and 20.

Mrs. Lattof, the program chairman, introduced Dr. Blessing of Evanston, who gave a most entertaining and enlightening talk on "Problem Parents." He named several things that parents should consider as pitfalls, that would tend to make them "problem parents," possessive love, fear for children, domestic discord, emotional instability, untruthfulness in failing to keep promises, or in making punishment threats, that you have no intention of completing. Working mothers are another problem. Humorless parents suffer as much as the children. Ambitious parents who want their children to shine above all others, and over educated parents can be a problem also.

Dr. Blessing said you need three things to get along with children, patience, persistence and a sense of humor.

At the close of the meeting a social hour was enjoyed and refreshments were served.

Miss Grace Wolters Weds Ray Drajus Both of Des Plaines

In a beautiful and impressive candlelight service solemnized at Christ Evangelical church, Des Plaines, Sunday, March 19, Miss Grace Anna Wolters, daughter of Mr. and Mrs. William Wolters of 836 Pearson st., became the bride of Raymond Drajus, son of Mr. and Mrs. Stephen Drajus, 3621 So. Marshfield ave., Chicago. The Rev. George W. Goebel officiated.

With a background of palms and ferns, the bride presented a pretty picture as she entered on the arm of her father, who gave her in marriage. She was beautifully gowned in white satin, cut princess style and fashioned with lace yoke and puffed part of sleeves, entrain. Her long tulle veil, held in place by a tiara of orange blossoms, fell in soft folds about her. She carried a bridal bouquet of Calla lilies, Abiding by the old tradition of something old, something new, she carried her mothers' wedding handkerchief which was trimmed in blue.

Miss Gladys Reiter, maid of honor, was pretty in aqua chiffon fashioned Grecian style. She wore a blusher veil to match her dress which was held to the head by two white rose buds and carried a colonial bouquet of red roses scattered throughout with tiny white flowers.

Mavis Stamm of Des Plaines and Dolores Haldemann of Chicago, attended as bridesmaids. Both were dressed in identically the same style gown as the maid of honor, but in powder blue and pink respectively. Both wore blusher veils to match their dresses and carried colonial bouquets of red roses.

The bridegroom was attended by Adam Graumann of Arlington Heights as best man. Ushers were Julius Graumann of East Maine and Harry Bending, Jr.

Immediately following the ceremony, a reception dinner was held at the American Legion home for 70 relatives and friends with open house for friends after 8 o'clock in the evening. Louis Twitchell and his orchestra furnished dance music throughout the evening.

The new Mr. and Mrs. Drajus are making their home for the present with the bride's parents.

Newspaper More Anxious For Warmer Clime Than Subscriber Geils

Now that the first day of spring has come and gone, we hope that all the signs of spring, such as tulips, daffodils, peeping out of the ground, the pussywillow buds bursting, and the robins running around these last few days, are indications that Old Man Winter has gone and spring is here to stay.

Other signs of spring around the neighborhood are the number of cars seen around the new section that Smith & Dawson are busy with just at present, folks getting stuck in the driveways and so many of the folks busy with their decorations.

With the mention of decorating, we would at this time like the folks in the neighborhood to know that we have residing right in our midst, Mr. and Mrs. E. R. Gilde

meister of Chicago, and he expects to start another one very soon on Clarendon ave. for Mr. and Mrs. John R. Duetsch. Just at present there is no Mrs. John R. Duetsch, but before they move out here, there will be a wedding somewhere in Chicago, and after that Prospect Heights will be home to Mr. and Mrs. Duetsch.

On Tuesday Mrs. William Kovnick and her son and daughter, Irvin and Carol Nan, visited at the home of Edward F. Rauen, Mrs.

Mr. and Mrs. W. D. Fisher have started building their home on Elmhurst ave. We hope that the weather will permit them to get their home completed real soon.

On Sunday afternoon Mr. and Mrs. James Kliwer of Berwyn and Mr. and Mrs. F. Semradek and their daughter, Joyce, who are relatives of Mr. Spillar visited at the Spillar residence and enjoyed a very pleasant afternoon. Mr. Semradek's sister and brother-in-law and two children also visited at the Spillar home.

Mrs. Spillar took a trip into Chicago Wednesday to do some shopping and here Bruce was left at the home of his Grandma Spillar in Berwyn.

According to the report in the Sunday Tribune a week ago, Prospect Heights leads in homes under construction for the month of February. We hope that this good work will continue, and that Prospect Heights will head the list for many more months.

An unidentified man, severely hurt and almost frozen to death, was found by Harold Heinrich last Sunday morning at 6:15 a. m. while returning home from Chicago. Harold notified the police and they took the almost dead man to the Northwestern Hospital in Des Plaines. Evidently the man was a victim of a hit and run driver. He was found on Rand rd. just south of Palatine rd.

On Sunday Mr. Nielsen entertained Joe and Donna Maxwell and, as usual, Joe and Donna were out in Prospect Heights from early in the forenoon until late in the evening and had a real good time.

On Saturday night Ed and Nar Rauen, Mr. Curt Trommer and Mr. Paul Weck spent a very delightful evening over at the home of Mr. and Mrs. Frank Portman on Willow rd. A delicious midnight supper served by Ruth, was enjoyed by those present.

Mr. Smith advises that on or about April 15, a Royal Blue Store will be opened in one of the stores in the building at the corner of MacDonald and Elmhurst rds. across from the service station by Arnold Allord of Downers Grove.

Mr. and Mrs. Buehrer of MacDonald rd., took a trip down to Ohio to visit with Mr. Buehrer's folks. They enjoyed a pleasant trip.

We regret to report that Mrs. Arnold has been on the sick list and just at present she was able to be out for a short automobile trip with her husband. We hope that she will continue to improve.

Mrs. Kaden on Clarendon ave. entertained Mrs. Buehrer, Mrs. Harker and Mrs. Orose, last week. The ladies had an enjoyable afternoon.

The soul is safe in heaven.

WHEELING PRESBYTERIAN CHURCH

Loyalty Sunday, March 26

Morning worship, 10:55 o'clock. Sunday school, 9:30 a. m. This Sunday has been designated as Loyalty Sunday for the church, at which time pledges for continued support of the church will be received. History of this church reveals that it has been self-supporting since the time of organization 75 years ago, a record seldom held in small community churches. Surely the present generation will continue to uphold the torch of Christian faith handed down by those who have gone before.

Monday evening, March 27, the annual meeting of the congregation will be held, following a pot-luck fellowship supper. All members and friends of the church are invited to share in the fellowship of the supper which will begin about 6:30 p. m. and to remain for the business of the meeting which will include annual reports, election of officers and consideration of plans for anniversary services.

GOOD THOUGHTS

He that hath knowledge sparing his words. He that refrains his lips is wise.

—Matthew Arnold.

Who hath not learned that when alone he has his own thoughts to guard, and when struggling with mankind, his temper, and in society, his tongue? . . . No reproof is so potent as the silent lesson of a good example.

—Mary Baker Eddy.

If any man offend not in word, the same is a perfect man, and able also to baffle the whole body, . . . Who is a wise man and endued with knowledge among you? Let him shew out of a good conversation his works with meekness of wisdom.

—James 3.

IN MEMORIAM
In loving remembrance of our dear mother who left us one year ago March 25, 1938.

Gone but not forgotten. Mother how we miss you. A precious one from us has gone, A voice we loved is stilled; A place is vacant in our home, Which never can be filled.

God in his wisdom has recalled The boon his love had given, And though the body slumbers here.

The soul is safe in heaven.

Loving Children of Mrs. Augusta Luehring.

Glowing Accounts Of Winter Vacation In The Southland

Mr. and Mrs. Edw. Heuer and Mr. and Mrs. Louis Hogreve and grand-daughter, Adeline have returned from a two months trip to the lower Rio Grande valley and Mexico. While their friends in Arlington Heights were wearing overcoats and shoveling coal, the visitors were enjoying 90 and 100 degrees, eating oranges and grapefruit ripened on the trees.

They traveled 4,000 miles without any trouble or need to change a tire. Of course they had a good time but they were glad to get back home.

News from Springfield...

by BERNICE T. VAN DER VRIES
Representative 7th District
General Assembly of Illinois

BERNICE T. VAN DER VRIES

The metropolitan papers have carried more complete and interesting reports of our political battle on the subject of the house committee to investigate state expenditures. I know, however, that many news releases concerning the activities of the legislature were either crowded out or were greatly condensed because of important European events. It therefore seems important for me to inform my readers of the less spectacular but just as vital activities of the general assembly. Perhaps I can best picture those activities by using the diary form of reporting the two days which I spent in Springfield, two days which other members could duplicate with minor changes in committee assignments and interests. Although some of my comments may be rather personal in nature they are necessary in a true picture of "My Days" (with no apologies to Mrs. Roosevelt).

All local talent. Oh Boy, just think of it—more than two hours of good hearty laughs will be produced. Very colorful, spotlights galore and with the amplification system, you shouldn't have any trouble at all hearing "Sambo" whispering "words," and we mean "words" wid "Smoky," nor hearing "Lightnin'" produce a croon that you will enjoy in the most remote part of the hall. What thrills await you when "Rastus" tells his woes and when "Mopey" has a time keeping awake in spite of the hilarity going on around him. What a time the audience will have when they will hear how "Porky" really wants to explain something.

Tickets must be purchased in advance to assure admittance. Reservation for either night must be made also, as only a limited number of tickets will be available. Ticket sales are in charge of Mr. George Johns, Des Plaines. Dress rehearsal for the children will take place on Tuesday evening, April 11.

State Tournament Winner Is Again From Northern Illinois

We were glad to see a team from the north end of the state win the Illinois basketball crown again this year. Rockford's title victory of 53-44 over Paris was the third in a row that has gone to the north as Dundee won last year and Joliet the year previous.

FAST BREAK RULES

The 1939 tournament brought out the change that has taken place in basketball since the center jump was eliminated and the three second rule installed. Almost everything at the state this year was fast break and it was easy to see that the teams had concentrated on offense rather than defense. There was a noticeable lack of zone defenses and an almost unanimous use of the rushing man for man type.

FAVORITE JINXED

Morton, a northern favorite, had the toughest luck of any team. Albaugh, forward, and Parke, center, both suffered sprains in the Lane Tech game which left the Cicero eagles so crippled that they could not stop Wood River in the second round.

Palatine Starts Track Practice

Pirates Improved In Running Events

Track practice is well underway at Palatine high school and the prospects are about the same as last year. This year's team appears to be considerably stronger in the running events, but the field events and hurdles may be no stronger.

The greatest loss to the team by graduation was Harlow Smith, an all round good competitor, and Norman Freise, miler. John O'Brien and Cecil Kuhn, the best track athletes, saw little action last year except at the beginning and end of the season due to illness and injuries. Owen Nuckles and Bob Kraft complete the list of six lettermen lost by graduation.

Seven Lettermen Available

Veterans returning are the seniors, Bucinow in the javelin and Stewart, pole vault. Two junior lettermen are Howes, pole vault, and Fink, hurdles and discus. Three sophomores complete the list of seven returning lettermen. Palatine school records in the 220 and 440 and won a few points in the broad jump. Senne developed into one of the best 880 men Palatine has had and is likely to break Leighton Mangel's half mile mark set in 1936. Cipri has his letter in the sprints and 440. This season Cipri may take up distance running as he finished fourth in the Barrington Invitational two mile cross country run last fall.

35 Out for Track

About 35 boys are practicing track at Palatine and a number of boys who did not win letters last year have already given evidence of being point getters during the coming season.

Pasch, a junior, and Snyder, a sophomore look good in the javelin and discus throws. Ehr, a junior, has good form in the hurdles and may make a sprinter. Trepus, a sophomore, and Field, a junior, ran the 880 and mile last year, but did not get enough points for a letter. They are due to score this year.

John McCombs, a new sophomore this year, looks good in the sprints and with Hollinger, Senne, Cipri, and Trepus should give Palatine good Fresh-Soph relay prospects.

The boys who look the best this week and next will be taken to the Oak Park Relays for a chance to get the experience of running with competition.

Dual meets have thus far been scheduled with Bensenville, Leyden, Grant, Barrington, and West Chicago.

First University in World

In 387 B. C. Plato settled at Athens and founded his school of philosophy known as the academy, which attracted pupils from all parts of Greece, among them Aristotle. This school was endowed and became the first university known to history.

Centralia was the most colorful team of the tournament. Their sensational long shots were executed in an unusual style with the ball never being brought below the level of the face in making the shot. Free throws were attempted in the same manner. They employed an unusually high arch on their shots.

SILVER ANNIVERSARY

Trout, veteran Centralia coach, has just completed his 25th year at the school and it was his sixth team in the state title. He is a coach who believes that most of the basketball practice time should be spent in basket shooting.

FOUR GAMES—NO SUITS

Centralia had the unusual distinction of playing the four tournament games without a substitution. The team appeared fagged out in the fourth appearance against Woodriver in the third place battle losing 34-28.

SMALLEST TEAM

Woodruff high school of Peoria had the smallest team. The school is only two years old. Their best man, Gresham, wore glasses without guards and was a deadly shot. Manuel Gutierrez, small Mexican guard of the Peoria team just started his sophomore year this semester and never played any basketball until the present season. He lives with five brothers and sisters and his parents in a remodeled boy's car. The fathers of all the boys on the Peoria team work for the Rock Island railroad. Gutierrez shot four goals in six attempts as his team beat a good big Gillespie team.

POOREST SHOOTING

Roodhouse appeared to be the poorest team in the tourney, but it probably was stage fright in their case as well as Canton and Moline. Roodhouse made only two baskets out of 51 shots in their game with Zeigler.

Seniors Upset Juniors In School Finals

Arlington Class Teams Put Finis To '39 Basketball

It is a shame that the adult contingent of basketball fans in Arlington Heights was deprived of the privilege of witnessing last Friday afternoon's final in the interclass games at the high school. Due to conflicting attractions, the annual Junior-Senior game had to be scheduled after school.

For sheer thrills, it surpassed just about anything seen on the local floor this season. While neither team, of course, was quite up to the par of regular teams appearing during the season, they made up for it by their spirit and enthusiasm.

The Juniors had ambitions to make it two championships in a row, having won it last year as sophomores. The Seniors had other ideas and proceeded to administer a nice licking to their younger brethren.

It appeared that the Juniors outsmarted themselves by endeavoring to carry off the inter-class honors by depending upon their erstwhile "Green Tornado" quintet while several potential scorers the previous "Heavies" cooled their heels on the bench. These lads, however, were hardy up to it in their final game.

The older boys again lived up to their reputations by failing to hit consistently. Had they been doing so, they might have sewed up the game in the first quarter. They laid up about 25 or 30 shots the first quarter and connected only once.

During the game the Seniors averaged a little less than 15% by hitting eleven baskets out of 74 tries. In the meantime the Juniors connected for 19.5% by scoring seven out of thirty-six shots.

The game went into an overtime as the Juniors tied it up twice just before the final gong. Twice it appeared that the Seniors were "out" only to have it tied once by Peters and once by Milligan on last moment field goals.

The first half ended 10 to 9 in favor of the Juniors. Augie Mayerek and Bill Beckman got going in the second half and the Seniors held the upper hand almost all the last period. Augie connected five times from the field in this last stand. However, he was shaded for thrilling deeds by Beckman's basket in the overtime which won. This was Bill's last of four moment field goals.

In preliminary games the Seniors trounced the sophomores 33-21, and the Frosh 38-3. The Juniors in turn beat the Frosh 47-13 and the Sophs 30-17. In the prelim to the final game, the Sophs beat some measure of revenge by beating the Frosh 41-7. The lowly Frosh, with their weakest team in years, were simply buried each time they played.

Eleven Track Lettermen Report At Barrington

Barrington has started track practice and expects to have a much improved team over last season with 11 lettermen available.

Clark's team is sure to be well balanced with veterans back in every event of the track and field program. Clark's veterans are Church, Nesterle, Saul, Herren, Shepard, McLaughlin, Kampert, Wendt, Grueling, Myers, and Farwell.

BAILEY AND HIMES ENTERTAIN

The Bailey and Himes Sporting Goods Company of Champaign, entertained the high school coaches Friday after the games in a big get-together at the Granada club.

There must have been several hundred coaches present at this annual star party. One of the best things about going to the tournament is to see a lot of coaches and visit around. From this section the coaches present were Isaacson and Galitz of Niles, Kelton and Salisbury of Warren, Etherton and Mockey of Northbrook, Clark and Brickey of Barrington, Wesner of Ela, England of Leyden, Lindenmeyer and Short of Lake Forest, and Bergstrom of Libertyville. Most of the head coaches from the Suburban, West Suburban, Bix Seven, and Little Seven conferences were there.

Each year we have attended the tourney we have seen more and more high school squads there from small schools that were eliminated somewhere along the line. A trip to the tournament is quite an experience for boys of high school age and it is a fine thing that many schools allow or help their boys to attend this annual affair.

POOREST SHOOTING

Roodhouse appeared to be the poorest team in the tourney, but it probably was stage fright in their case as well as Canton and Moline. Roodhouse made only two baskets out of 51 shots in their game with Zeigler.

Dress Fabrics To Bear Inspection In Coming Season

First a warning and then some good news goes out to Illinois homemakers seen to buy spring wardrobes.

The warning is that fabrics, more than ever this year, are resembling others whose physical nature and therefore care may be entirely different. Checking up on how the proposed material for the new Easter dress is going to act, is suggested by Miss Edna Gray, extension specialist in clothing, College of Agriculture, University of Illinois. Her advice is to take steps to find out the basic fiber or fibers in the dress and then to see how the material may respond to daily use and frequent cleaning.

In many cases the fabric will come through all the tests successfully, but it pays to make sure, the specialist said. If the dress is the kind which will have to be dry cleaned, a portion of it may be pressed first to see how it reacts to heat and pressure. If the material is supposed to be washable, a small portion may be put to a laundering test. The easiest method is to threat-mark a small rectangle along the threads of the material, measure it, then wash the fabric and re-measure. The interesting fact is that the material may not shrink but stretch. That may be true of some of the rayon crepes and even some of the cotton now carrying a shrinkage guarantee. Those materials which have a depth of texture sometimes flatten out when subjected to pressure.

Velours, Pile Fabric

Velours is a pile fabric woven from either woolen or cotton yarns, or from a mixture of the two. It is finished to present a soft, smooth, tufty pile. Velours is also used as a name for a material made from rabbit's fur, and largely used in making hats. Velvet is a fabric with a short, fine pile of silk. Velvetine is similar to velvet, only it is made of cotton instead of silk.

Derivation of Word Goulash
The word goulash is from gulyash, meaning cattle herdsman. The first goulash was cooked at Hortobád, near Debrecen, Hungary, more than five centuries ago by the herdsman in the open.

Women Plan Home Bureau At Farm Meet

Will Study Correct Spending, Dressing, Cooking, Eating Habits

A decision to proceed with informing the farm women of Cook county with reference to what may be gained through Home Bureau was reached at a meeting held at the Farm Bureau office last Friday evening.

In introducing Mrs. Butner will come again to the county for a short talk to the women of north Cook on Tuesday, March 28th, at which time further information for all ladies of the county will be made on Home Bureau. The meeting will be held in the Farm Bureau office at 8 p. m., and the husbands of the farm women of Cook County are invited to find out some of the purposes of the Home Bureau.

The Busse orchestra has consented to give a musical program along with one or two instrumental features.

Mrs. Butner, whose talks are very interesting, assures us that her address will not run over twenty minutes.

A cordial invitation is extended to the people of north Cook County to attend this meeting and learn more about Home Bureau.

SCHAUMBURG

by ROGER KAPPA

Mr. and Mrs. Henry Krumweide moved from Schaumburg to a farm close to Northbrook. Mr. and Mrs. Emil Buchholz also moved to Northbrook.

Mr. Herman Schnute, who has been very ill, has returned from the Community Hospital. We are happy to hear that he is coming along very nicely.

Many of the people in and around Schaumburg, w. o. to see the train wreck close to Bartlett. They report that some enterprising fellow was charging everyone 25 cents for a close view of the wreckage. I wonder how much money they took in. Old Barnum was right, wasn't he?

Spring is delightful, and many a young man's fancy turns to love but I certainly was surprised to see one who was wearing white shoes already. It couldn't be love, could it? young fella?

The Schaumburg Walther League is working very hard to complete the play which is to be given at the Roselle school hall on April 12 and 13. The name of the play is "Done In Oil." Next week I will try to describe to you the various characters in the play and the name of the local people who take those parts, so watch for it next week. The money realized from the activities of the League, go into the local treasury and is used for the furtherance of their work, which, I assure you, is a good cause, I know everyone will turn out to see the play and prove to the League that we approve of their efforts.

Form Community Units

The Home Bureau operates through small unit organizations where a group of fifteen or so country women get together and follow an outlined program, copies of which are available from the University Extension Service.

Half the time the Home Adviser meets with them and conducts the meeting. Home Bureau meetings are in a distinct class from Women's Clubs which deal with entirely different subject material and have different objectives. A Home Bureau is designed to acquaint the farm women with the many problems that they have in every day life about their homes. When these units are organized, a number of town women often join for the beneficial information that they can get.

The following members of the Advertising Committee were present:

Mrs. Ray Hill and Mrs. Arthur Thiemann, Schaumburg twp.; Mrs. O. G. Barrett, Mrs. C. A. Hughes, Mrs. C. H. Mills and Mrs. Elsie Wheeler, Wheeling twp.; Mrs. Vilbur Vial and Mrs. Walter Martin, Lyons twp.; Mrs. Homer Long, Main twp.; Mrs. L. W. Pohlman, Busse, Elie Grove twp.; Mrs. W. C. Straub and Mrs. Harvey Tatge, Hanover twp.

This meeting constituted the termination of the work of the preliminary appointed Advertising Committee. At an open meeting election of township representatives will be perfected for the county.

GOOD THOUGHTS

Oh, many a shaft at random sent,
Finds mark the archer little meant,
And many a word at random
spoken,

May sooner or wound a heart
that's broken.

—Sir Walter Scott.

A word once spoken, an army
of chariots cannot overtake it.

—Chinese Proverb.

How little do they see what is, who
frame
Their hasty judgments upon that
which seems.

With His Six-Guns
Blazing Justice and Revenge

"*Hopalong Cassidy*," America's favorite action hero, will come back to town in a new and exciting range drama when Paramount presents "The Frontiersmen" at the Catlow Theatre, Saturday. Based on an original Clarence E. Mulford prairie yarn, "The Frontiersmen" shows the struggle of ranchers to keep the village school on the straight-and-narrow in opposition to a crooked mayor, who uses his high office to cover his activities as a cattle rustler and attempts to win over the school-kids to further his aim. William Boyd, who rides again as "Hoppy," has with him his two loyal saddlemates, George Hayes and Russell Hayden, while the romantic interest is supplied by lovely Evelyn Venable, cast as the desert school teacher.

"They Made Me a Criminal," the Warner Bros. production opening at the Catlow Theatre Sunday, March 26 for a two day run.

In "They Made Me a Criminal," May Robson and Gloria Dickson

are the proprietors of a desert date ranch in California, and John Garfield and the "Dead End" kids are their chief helpers. Garfield is hiding out there to escape punishment for a murder of which he was falsely accused, and the "Dead End" kids play New York toughies who have been sent out to the ranch to be regenerated.

Norma Shearer sings a Russian number, "Kak Stranna," with Clark Gable as her accompanist in "Idiot's Delight," coming to the Catlow Theatre March 29, 30, and April 1. It proved to be one of the comedy highlights of the picture, although Miss Shearer didn't know she was going to sing fifteen minutes before the scene was filmed. Gable plays the number in the picture and Director Clarence Brown suggested that Miss Shearer sing to give the scene more zest.

"Dawn Patrol" At Des Plaines

On Sunday the Des Plaines Theatre offers "The Dawn Patrol" and "There's That Woman Again," a top-ranking double feature program scheduled to run for three days. Starred in "Dawn Patrol" are Errol Flynn, Basil Rathbone, David Niven and Donald Crisp. Co-featured in "There's That Woman Again" are Melvyn Douglas and Virginia Bruce. As a special treat during the Sunday matinee, every lady in attendance will receive a free autographed photo of Nelson Eddy, and every gentleman, a picture of Jeanette MacDonald. These two popular singing stars will soon appear at the Des Plaines theatre in their beautiful Technicolor hit, "Sweethearts."

Currently Dick Powell and Anna Louise hold forth in "Going

Thanks For Everything

Jack Haley, Adolph Menjou and Jack Oakie are co-starred in "Thanks For Everything" at the Arlington Theatre which is double featured with "Trade Winds," Sunday, Monday and Tuesday.

Places," double featured with the screen version of that well-known comic strip character "Little Orphan Annie," "Ferdinand the Bull," Technicolor cartoon sensation, and the latest issue of "The March of Time" round out an entertaining program.

One of the Darkest Secrets

Of Luise Rainer's Life

has come to light. She was "thrown out" of one of Europe's most famous theatres.

Miss Rainer confessed her early "disgrace" while comparing events of her struggling years with the role she plays in "Dramatic School," showing at the Palatine Theatre Sunday, Monday and Tuesday.

In the picture, Miss Rainer plays the part of a poor factory worker who struggles through dramatic school, scorned by her classmates, and eventually achieves success against great odds. Her classmates include Paulette Goddard, also starred in the new production.

"In my childhood, although I did not study at a dramatic school, my experiences were similar to my character in the picture," said Miss Rainer. "I wanted to go on the stage but I did not dare to tell my parents. Pretending to visit my grandparents, I enrolled in a little theatre which conducted drama

classes for beginners."

The thought of an audition frightened her but she studied a scene. After the audition the director asked where she had played before. He refused to believe Miss Rainer's confession that she had never acted before. Miss Rainer was told to return the next day when the largest production of the season was to be cast. She came back and won the leading role.

"A year and a half later," Miss Rainer recalled, "the company traveled all over Europe. In one of the larger cities, which I will not name, the man who played the meister burgher had a cold.

"While I was in a scene with him he continuously sniffed and twitched his nose. I could not help it, but I laughed in his face. Even after his cold was cured I could not keep from laughing in the scene with him. Then one night my laughing became so contagious that the whole company and then the audience burst into hysterical laughter. Naturally it broke up the show. And I was thrown out of the theatre."

They roared through the dawn with Death on their Wings—and laughter of youth on the lips in "Dawn Patrol" with Errol Flynn, David Niven and Donald Crisp. For three days ending Saturday—Plus—Melvyn Douglas and Virginia Bruce in "There's That Woman Again"—Full of Tomfoolery, Burglars and Joolery.

For three days starting Sunday—Fredric March and Virginia Bruce in "There Goes My Heart"—A million dollars worth of fun. And Claudette Colbert in "Zaza" with Herbert Marshall.

Wednesday and Thursday—What happens when Pat O'Brien and Joan Blondell adopt the toughest of the "Dead End" Kids—is strictly "Off The Record," and—Society Toler and Phyllis Brooks in the first of the New Charlie Chan Series "Charlie Chan in Honolulu."

OBITUARIES

William Brockman

Mr. William Brockman, of Vernon township, passed away at his home on Lake street, Friday evening, at the age of 66 years, 10 months and 19 days. Mr. Brockman was born April 28, 1870 in Ela township. He was united in marriage to Miss Caroline Lemker, who passed away in April, 1897, and in 1906 he was united in marriage to Miss Emma Keiler, who passed away on July 8, 1926.

Mr. Brockman has made his home in Vernon township the past 33 years except 5 years at Arlington Heights.

He leaves to mourn his departure 2 living daughters, Mrs. Leonora Stoerop of Prairie View, Mrs. Helen Hahnfeldt at home with her father; 1 son-in-law; 2 grandchildren; 2 brothers, Herman of Libertyville, Edward of Palatine; 1 sister, Mrs. Emma Dyer of Prairie View; 5 sisters-in-law; and 1 brother-in-law.

Funeral services were held Thursday afternoon from the home in Deerfield, then to the Wheeling Presbyterian church, where Rev. D. C. Morrison officiated, assisted by Rev. H. J. Wiegand and Dr. Wm. Weir. Vocal selections were sung by Rev. Morrison and trio consisting of Rev. Wiegand, Mrs. C. Schuessler and Miss A. Schneidler accompanied by Mrs. L. C. Holtje. Interment was made in the Wheeling cemetery.

Hulda Poehls

For the second time within a week, St. Matthews Lutheran church in East Maine, was the scene of funeral services for one of the town's well loved citizens, when on Sunday, March 19, Mrs. Hulda Poehls was laid to rest in Ridgewood cemetery. Her health began to fail about two years ago and she was confined to her bed for the past five months where all possible medical aid was administered but her malady was incurable. She slipped away to enter eternal rest early Thursday morning, March 16, 1936. She sailed from Antwerp on April 7 on the steamer Belchenland and landed at New York April 17.

He came to the vicinity of Deerfield where he made his home with relatives. Ten years later he united in holy wedlock with Miss Emma M. Weber on July 7, 1883.

They settled on a farm about two miles east of Wheeling where they lived until his retirement from farming about 12 years ago, when they moved to Deerfield where they made their home with their daughter, Mrs. Edwin Koebelin.

Possessing a rather retiring personality, Mr. Ott did not enter actively into public life, however, he was a kind and loving husband and father, a good neighbor and a citizen with unquestionable integrity.

Mr. Ott proved himself a worthy son of his adopted country. For many years Mr. Ott with his family were members of the Wheeling Presbyterian church where he attended services regularly until the untimely death of his son-in-law, Mr. Edwin Koebelin two years ago, deprived him of transportation.

While still living on his farm, many a choir night or Sunday church service would find Mr. Ott with his daughter walking the two miles in to the village when their long farm lane was impassable for driving either because of snow or spring thaws. During the past year

Fred Hunt opened the service by singing "Abide With Me" and the Ladies Aid sang "Jerusalem, thou city fair and high."

A large crowd attended to pay final respects to the memory of the beloved relative and friend and to follow the body to its last earthly resting place at Ridgewood, W. C. Oehler funeral home was in charge.

Martin Jaacks, a cousin, and five nephews were pall bearers, William and Roy Tagtmeyer, Donald Jaacks, Armin Joenson and Otto Wagner.

Left to mourn are the sorrowing husband, Hans, daughters Margaret and Wallace, the mother, Mrs. Jaacks, one son-in-law, four sisters, three brothers and other relatives and a host of friends.

August Krecke

The funeral of August Krecke, 61 years old, will be held Friday afternoon at St. Paul's Evangelical church, Higgins and Canfield rds. Burial will be at Mt. Olivet. Remains are at the late residence, Bryn Mawr ave. and Mt. Prospect rd. Obituary next week.

IN MEMORIAM

We miss thee from our home, dear father,
 We miss thee from thy place,
 A shadow o'er our life is cast,
 We miss the sunshine of thy face.

We miss thy kind and willing hand,
 Thy fond and earnest care;
 Our home is dark without thee
 We miss thee everywhere.

In loving memory of my dear husband and our dear father who passed away three years ago March 22, 1936.

The Kath Family.
